

## 2007 Vancouver Golf Tour SUMMER PRO-AM CHAMPIONSHIP

In Support of

KINGS LINKS GOLF CLUB  
THURSDAY AUGUST 23<sup>rd</sup>, 2007

### **Message from the Commissioner:**

**Thanks for participating in the 2007 VGT Summer Pro-am Championship.** By playing in this event you have helped build the future of golf right here in BC. Thanks for your support!

Our goal is to build the Premier Developmental Golf Tour in Canada. By providing a professional and competitive environment, we are giving local Professionals and Amateurs the ability to hone their skills and compete for significant purses and prizes. Our objective is to create the environment for success and give our most competitive golfers a path to reach the PGA Tour.

In addition, we are developing the game through our junior scholarship programs. VGT has just launched its Junior Golf Academy, which targets the development of BC's up-and-coming Junior Golfers. At present Seymour Creek Golf Center, Northview Golf & Country Club, The Redwoods Golf Club and Fraserview Golf Course have VGT Junior Golf Clinics and Camps for Junior Golfers. Our hopes are to establish VGT Junior Academy's at more sites in the future where our Marquee VGT Professionals are teaching our rising stars how to play the game.

Our fundraising initiative from this tournament was to help benefit the charity organization **Kids Up Front**, which allows kids to gain magical experiences. Through the Putting contest, KP contest and 50/50 draw, we managed to raise over \$1,200 that will go towards a very worth charity. Special thanks to Cindy Graves and all the volunteers of Kids Up Front for playing a role in our tournament this year. Please visit their website at [www.kidsupfront.com](http://www.kidsupfront.com) to find out how you can help out!

Building a tour with grassroots support requires the help from passionate individuals who are willing to dedicate their time in pursuit of the dream. The 2007 Vancouver Golf Tour Organizing Committee includes:

Jim McKinnon	Signage and Printing
Holly Pearson	Financial Management
Heidi Tran	Marketing and Media
